As you may already know, Chicago Police Officer Jeffrey Gniadek, Star# 18797 has been indicted for the offense of Threatening a Public Official under indictment number 11CR-13609. MIS is running a computer search on CRIMES to determine whether he is a witness on any pending felony cases. Once I have the results of that search, I will forward them to you. Those units without a computer case management system will have to check their individual files to determine whether the officer is a witness on any pending cases.

If Officer Gniadek is a witness on a case please determine whether the case can be proved without calling him as a witness. If the case cannot be proved without calling him as a witness, please nolle the case. If the case can be proved without Officer Gniadek's testimony you should

proceed on the case.

If you have a case where we cannot proceed without Officer Gniadek's testimony and the case is a violent crime, involves death or serious bodily injury, or is a case where you or your ASAs feel that the case should go forward please contact Fabio or me prior to taking any action. Also, please have your ASAs keep track of how many of Officer Gniadek's cases they have and how many of those cases were dismissed.

If you or your ASAs have any questions, please call me. Thank you.
